

EBOHON OSAMUDIAMEN

BSc and MSc Biochemistry

ABOUT ME

Name: Ebohon Osamudiamen

Date of Birth: 23rd March, 1990

Sex: Male

Phone: (+234) 7031332606

Email:

ebohonosamudiamen@yahoo.com

Address:

6 Osagima Street off Textile Mill Road
Benin City

EDUCATION

Doctor of Philosophy

University of Benin
2017 – till date

Masters of Science in Biochemistry

University of Benin
2015

Bachelor of Science in Biochemistry

University of Benin
2012

Senior School Certificate Examination

Egba Grammar School Egba
Height, Edo State, 2006

OBJECTIVES

To add value to any area I find myself and contribute the best of my knowledge so as to improve the organizations objectives and achieve personal goals. To work as a team player, comply with company rules and regulations and display a high level of integrity, transparency and respect for others.

PROFESSIONAL SKILLS

- Microsoft office proficiency
- Ability to design research conducted in biochemistry
- Extraordinary analytical skills
- Ability to use statistical packages
- Expertise in operating laboratory equipments
- Ability to work with multidisciplinary team
- Diligence and patient with laboratory work

RELEVANT WORK EXPERIENCE

Assistant Lecturer

Michael and Cecilia Ibru University, April 2018 – till date

- Teach biochemistry
- Supervise undergraduate students seminar
- Supervise undergraduate students research based project

Research Scientist

Metro Research and Biotechnology Africa, May 2016 – May 2018

- Carried out assays on various biological samples
- Designing scientific research
- Analyzed experimental data and interpreted results with statistical tool (SPSS)

Research Assistant [Prof. (Mrs) E.S. Omoregie's Lab]

University of Benin, Faculty of Life Sciences, Department of Biochemistry Jan. 2015 – May 2018

- Assist post and undergraduate students during their bench work
- Interpretation of data
- Guide student during thesis write up
- Maintain laboratory equipments

Sales Associate

General Nutrition Corporation (GNC) Mar. 2014 – Feb. 2015

- Guided customers in purchasing the right products
- Introduced new products to customers
- Manage online customers and increase awareness

INDUSTRIAL TRAINING

Laboratory Assistant

Time Hospital Nov. 2011 – Apr. 2012

- Learnt basic technique commonly used in the laboratory
- Joined the team in conducting analysis of various samples such as urine, sputum, blood etc

VOLUNTEER EXPERIENCE

University of Benin 2015 – May 2018

- Qualified and quantified the Phytochemicals in medicinal plants as well as evaluated their *in vitro* antioxidant properties
- Evaluated the antiplasmodial activity of medicinal plants
- Conducted tutorial classes for Biochemistry students with challenges
- Joined the team in evaluating the physicochemical properties and nutritional composition of samples

COMMUNITY SERVICE

- Sensitized secondary students on the dangers of drug abuse

CONFERENCES ATTENDED

- 35th Annual Conference and General Meeting of the Nigerian Society of Biochemistry and Molecular Biology (NSBMB) held at Covenant University, Ota, Ogun State, Nigeria (November 14th – 17th, 2016).
 - **Paper Presented: 28 days oral toxicity study of atovaquone-proguanil antimalarial combination drug in male wistar rats.**
- The 2nd University of Benin Annual Research Day (UBARD) Conference (October 20th – 23rd, 2016).
 - **Paper Presented: Proximate analysis of the leaf of *Sida rhombifolia* Linn.**
- The 1st University of Benin Annual Research Day (UBARD) Conference (October, 2015).

EBOHON OSAMUDIAMEN

BSc and MSc Biochemistry

PUBLICATIONS

1. Osebhaiemen Ojemekere, Francis Irabor, **Osamudiamen Ebohon** and Ehimwenma S. Omoregie (2017), A comparative study on the phytochemical screening and *in vitro* antioxidant activity of methanol leaf extracts of *Chrysophyllum albidum* and *Irvingia gabonensis*. *The Saudi Journal of Life Sciences*. Vol. 2, Iss-3:58-54. <http://scholarsmepub.com/haya/>
2. Omoregie, E.S., **Ebohon, O.**, Obuseh, F.A., Erhunse, N. and Irabor, F. (2016). 28 days oral toxicity study of atovaquone-proguanil antimalarial combination drug in male wistar rats. *2nd University of Benin Annual Research Day (UBARD) Conference Book of Proceedings*. Pp. **413-419**.
3. Irabor, F., Okugbo, O.T., Erhunse, N., **Ebohon, O.** and Omoregie, E.S. (2016). Phytochemical screening and *in vitro* antioxidant activity of seed oil and methanol extracts of *Allanblackia floribunda* stem bark and leaves. *2nd University of Benin Annual Research Day (UBARD) Conference Book of Proceedings*. Pp. **401-404**.
4. Oikeh, A.O., Erhunse, N., Shemishere, U.B., **Ebohon, O.**, Akpeh, K. and Omoregie, E.S. (2016). Proximate analysis of the leaf of *Sida rhombifolia* Linn. *2nd University of Benin Annual Research Day (UBARD) Conference Book of Proceedings*. Pp. **486-488**.

HOBBY

- Travelling and watching sports.

REFEREES

Prof. (Mrs.) Ehimwenma S. Omoregie

Department Of Biochemistry,
University of Benin, Benin City.
